

WHAT TO EXPECT IN THE APPLICATION PROCESS

The process toward becoming a member of the next class of Leadership Morgan Hill is now online and paperless. Please know there is a team behind the electronics ready to help you. If, after studying this website, you have any additional questions, please reach out to us at recruiting@leadershipmorganhill.org.

If the following looks complicated, just know that we're available to help smooth the process.

1. **APPLICATION** – If you wish to apply for next LMH class, please fill out and submit the online application at the LMH website: www.leadershipmorganhill.org
The class is filled on a rolling admission basis for qualified candidates (generally March to November) until all 24 places are filled. This means early application may help secure your place in the class.
2. **ACKNOWLEDGEMENT AGREEMENT** – LMH will acknowledge receipt of your application and send you an Acknowledgement Agreement for you to return. If applicable, please return that agreement with the following that apply:
 - Employer-signed form for candidates whose workplace will underwrite all or part of their tuition;
 - Request for tuition assistance form for candidates whose financial situation will prohibit their participation in the program. Funds are very limited, so please read the policy carefully to determine eligibility.
3. **PANEL INTERVIEW** – The next step is meeting with a panel of LMH board and alumni members. They will explain the program and its requirements in more depth, discuss your background and goals for participation, and answer any questions. It is a friendly discussion.
4. **NOTIFICATION OF ACCEPTANCE** – Candidates accepted into the program will receive a welcoming letter, electronically. If you wish a mailed copy, please let us know.
5. **MEETING WITH PROGRAM FACILITATOR** – The program facilitator, who serves as your guide through the program, will set up a time for a one-to-one meeting to offer a deeper level of detail and answer your final questions.
6. **TUITION INVOICE** – Tuition will be due according to the detail in the Acceptance Agreement you signed in Step 2. The fee is due before class starts in early January, unless you make special financial arrangements.

Done! You start class in January!
